Hello Friends!

An abundance of news from the road! We have had a crazy, eventful national Fall tour so far, and we're

Highlights from our East Coast tour include playing chess in the woods *Strange Summer Snow*

The particular excerpt of *Song of Myself*

The spotted hawk swoops by and accuses me...
he complains of my gab and my loitering.

I too am not a bit tamed ... I too am untranslatable,
I sound my barbaric yawp over the roofs of the world.

The last scud of day holds back for me.

It flings my likeness after the rest and true as any on the shadowed wilds,
It coaxes me to the vapor and the dusk.

I depart as air ... I shake my white locks at the runaway sun,
I effuse my flesh in eddies and drift it in lacy jags.
I bequeath myself to the dirt to grow from the grass I love,
If you want me again look for me under your boot-soles.

You will hardly know who I am or what I mean,
But I shall be good health to you nevertheless,
And filter and fibre your blood.

Failing to fetch me at first keep encouraged,
Missing me one place search another,
I stop some where waiting for you

Concerning the craftier side of life, *we've started making some neat CD cases out of recycled clothing.* We're happy to offer an (almost) plastic-free version of our records. There's not too much we can do about the CD, but we've sewn cases out of cool thrift store fabrics, and paper inserts placed inside. Right now we're just offering this option for the *Live in Coal Creek* CD, as a pilot concept. If it's a hit, we'll start offering it for the other records too. Got some old clothes or drapes that you've been meaning to take to Goodwill? We're looking for interesting textures and patterns. Send 'em our way and we'll make cases out of them, and ship you a free CD and case as a thank you.
