

# THE GABRIELLE LOUISE

NEWSLETTER

In This Issue:

[Listen to a Teaser Track](#)

Check out a rough mix of my song "End of the Blues" from the upcoming record, "For The Brokenhearted".

[Watch a new song! Live in Argentina](#)

"An Elevator Climbs" was filmed live in the Chacarita Cemetery, Argentina.

[Read my Travel Blog](#)

I've been keeping it on Cowbird, a website that tells the human story in snippets of soundbytes and sentiments.

[See more Tour Photos](#)

I have been fairly obsessed with taking photographs along the way, like the one to your right. You can see more photos on my website.

Re-Designed:

[Mirror the Branches](#)

Save the Dates:

for full schedule see

[website](#)

[May 9th: Soquel, CA](#)

[June 1st, Boulder, CO](#)

For this exciting homecoming performance I'm teaming up with physicist Joe Wern to marry song and science

[June 2nd, Paonia, CO](#)

I'll be performing alongside other environmentalist bands to help celebrate the victory of keeping fracking

[see more Tour Photos](#)

Good Day, Good People!

Greetings from beautiful Santa Rosa, California, where you can sing songs on a sea cliff atop a mat of grass

It's been a varied month of touring--from Buenos Aires, Argentina, where I drowned my nerves in wine bottles

and with ten more days of traveling ahead I'm hoping more strange [spectacles](#) will unfold before me. Join

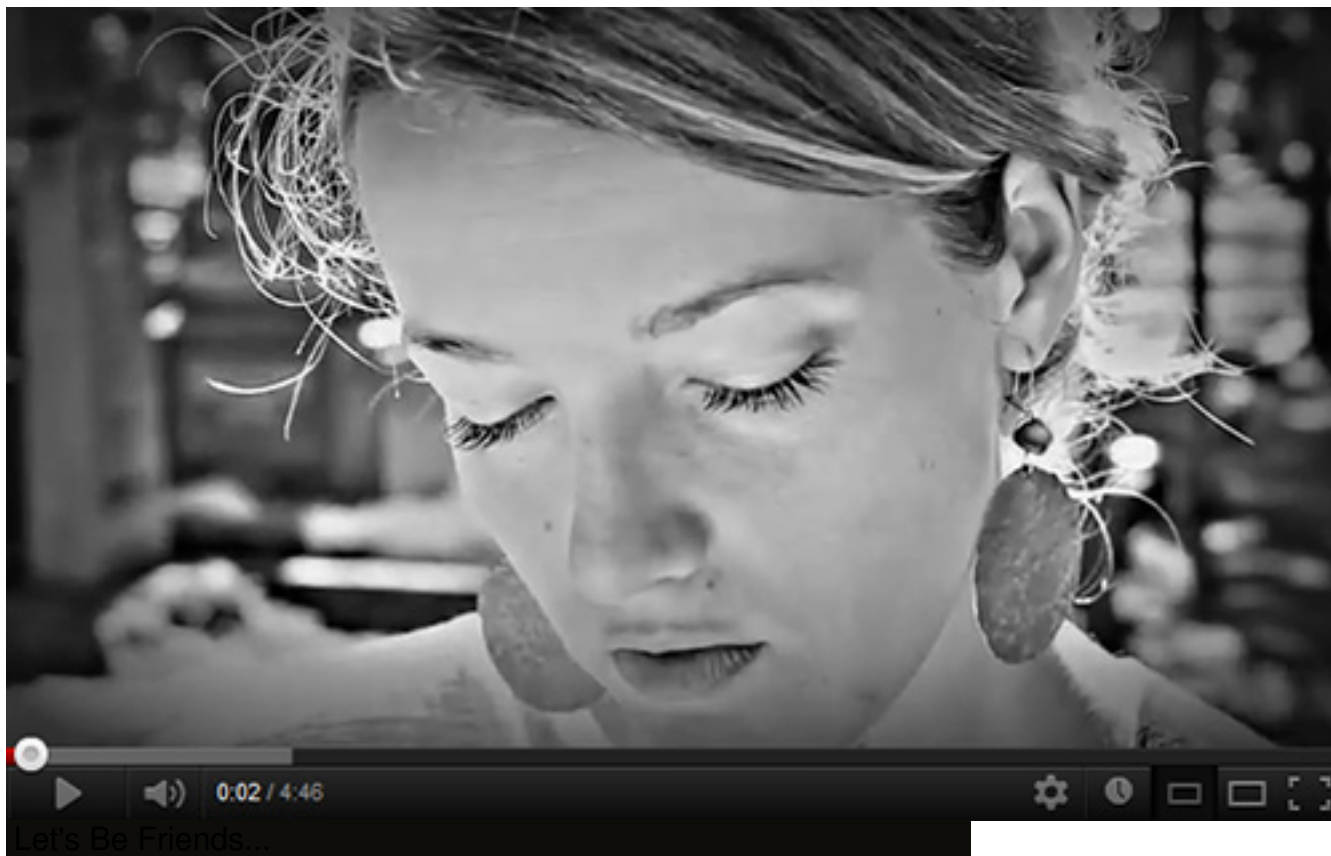

now expect the record will be ready next month, however the exact [title of the album](#) which I've posted

Lately, I've been keeping it at [Cowbird](#) I like the format that website

So I'll send you off with a video that was filmed live in Chacarita Cemetery [Chacarita Cemetery](#)

In Joy,

Gabrielle Louise
