

# THE GABRIELLE LOUISE SHOW

NEWSLETTER

Biggest news all year! Will you guys be my record label?

Today my team and I are proud to be launching a kickstarter campaign to fund the printing and promotion

If you could take about five minutes to watch this video and read about the campaign, I'd be so grateful.

Rewards vary, from a simple digital download to VIP tickets to a Town, to an overnight float trip on the C

Thank you in advance, and for your continued support these last ten years. It's been an amazing decade
